	Page		Page
Abscess, mammary, treated by compression.....	120	Blind restored to sight at 18 years..	112
Adelmann on the statistics of menstruation.....	48	Blindness, division of muscles of the eye in.....	151
Affusion, cold, in hydrocephalus....	110	Blood, on the.....	62
Air, secreted from the skin.....	47	Bowditch, Dr., on the trichina spiralis	197
— sent into the bowels in ileus..	40	— and Dr. Paine.....	18
Albumen and fibrin, identical.....	111	Brain, pseudo-morbid appearances of the.....	155
Allen, Dr., on the connexion of mental philosophy with medicine....	87	Brandy and salt in various diseases	173
Anchylosis treated by sudden and forcible extension.....	108	Bronchitis with plastic secretion....	84
Antimony, tartarized, in hæmoptysis.....	66	Carpenter, Dr. W. B., letter from....	134
Aorta, complete obliteration of the..	238	— Human Physiology.....	235
Arnett's Elements of Physics.....	40	Catalepsy in the parturient female..	201
Arsenious acid in phthisis.....	21	Cathartics, abuse of in colic.....	137
Asphyxia.....	4	Chaneres, phagedenic, tincture of iodine in.....	21
Asthma, quinine in.....	153	Charcelay on nephritis with albuminous urine in infants.....	200
Auscultation and percussion....	27. 208	Chatard, Dr., on a lusus nature.....	41
Autoplasty in ectropeon.....	21	Chorea, splints in.....	23
Auzoux's preparations.....	41 103	Ciliary motion.....	107
Bache, Prof., introductory lecture... 123		Clark, Sir James, on Climate.....	17
Bartlett, Prof., introductory lecture	132	Coates, Dr. R., School Physiology... 234	
Baxley, Prof.....	196	Cohen, Dr. J. J., post-mortem examination of a case of deafness.....	226
Beck, Dr. J. B., on the signs of live and still-birth.....	202	College of Pharmacy, Dr. Bridges elected.....	237
Beck, Dr. J. B., sketch of American Medicine before the Revolution... 217		Colic, abuse of cathartics in.....	137
Becker, Dr., on a belladonna enema in ileus.....	200	Compression in mammary abscess..	120
Bee, Dr. E. J., case of dropsy depending on disease of the heart.....	242	Consumptive, Italy as a residence for the.....	199
Bee, Dr. E. J., case of scirrhus pylorus.....	248	Cook, Dr. S. A., on the abuse of cathartics in colic.....	137
Bell, Dr. John, on Regimen and Longevity.....	191	Cooper's Surgical Dictionary.....	237
Bell, Jos., on compression in mammary abscess.....	120	Coventry, Dr., valedictory address..	218
Bell, Sir Charles, death of.....	256	Coxe, Dr. E. J., on medical inhalation	144
Belladonna in paraphimosis.....	110	— on ophthalmia.....	89
Belladonna enema in ileus.....	200	— J. R., on the agricus atramentarius.....	163
Bérard, ectropeon cured by autoplasty.....	21	Craighead, Dr., on prussiate of iron in intermittents.....	230
Billing's First Principles of Medicine	166	Credulity in regard to remedies....	236
Biot on the optical diagnosis of diabetes mellitus.....	171	Cruveilhier on the sounds of the heart.....	167
Birkbeck, Dr., death of.....	152	Cunier, M. F., on the division of muscles of the eye in blindness.....	151
Blake, Dr., death of.....	256	Cutaneous affections, clinical remarks on.....	170

	Page		Page
Cynanche laryngea.....	25	Hæmoptysis treated by tartarized an-	
Davidson, Dr., on some cutaneous af-		timony.....	66
fections.....	170	Hamilton, Prof., introductory lecture	134
Davis, Prof., of London University,		Hamilton's Table of Chemical Tests	88
death of.....	152	Handy's Valedictory Address to the	
Davis, John Staige, case of dropsy		College of Dental Surgery... ..	166
depending on disease of the heart	242	Harris, Dr. C. A., on the teeth and	
Deafness, post-mortem examination		gums.....	144
of a case of.....	296	Heart, sounds of the.....	167
Delirium tremens, eclectic treatment		——, valvular diseases, &c., of the	56
of.....	225	Hogan, Dr. B. R., on quinine in asth-	
Dental science, Journal of.....	166	ma.....	153
Devergie, Dr., death of.....	256	Hope, Dr., on chronic pleurisy, with	
Diabetes mellitus, optical appearan-		effusion.....	29
ces in.....	71	Hope, Dr., death of.....	24
Diarrhœa treated by monesia.....	143	Hospitals of Paris.....	45
Diver, Dr., report of medical mission-		Hydrocele, new mode of treating....	241
ary's society's hospital.....	177	Hydrocephalus, cold effusion in....	110
Dix on strabismus.....	39	Ileus cured by a belladonna enema	200
Dropsy after scarlatina.....	48	——treated by inflating the bowels	40
——of the pericardium.....	22	——from hypertrophy of the pan-	
——depending on disease of the		creas.....	237
heart.....	242	Infants, frequency of pulse in.....	88
Dubois on the auscultatory signs of		Insane Asylum, Friends', near Frank-	
pregnancy.....	148	ford, report on the.....	253
Dunglison's introductory lecture....	123	Insane Asylum of Ohio.....	147
